

Museum Fire Flood Projects

May 1, 2023

Welcome to the City of Flagstaff's Museum Fire Flood Projects eNews. Please email info@museumfloodprojects.com with any questions. These eNews will be released regularly to provide updates on all the City's Museum Fire Flood Projects.

BACKGROUND

On July 21, 2019, the Museum Fire broke out in the Dry Lake Hills area just north of Flagstaff within the Coconino National Forest. The fire ultimately charred 1,961 acres, including a significant portion of the Spruce Wash Watershed. Flood modeling subsequently showed potential flood risk to neighborhoods in Coconino County and the City of Flagstaff. Both the City of Flagstaff and Coconino County Flood Control District immediately took extensive measures and precautions to mitigate damage from flood events.

Throughout the summer of 2021, unprecedented rain events impacted the Museum Fire burn scar and caused multiple rounds of flash flooding in Flagstaff neighborhoods. The City of Flagstaff continues to collaborate with both the public and private partners to lessen the impact of flooding in the affected Flagstaff neighborhoods.

SPRUCE WASH/ MUSEUM FLOOD AREA COMMUNITY MEETING – MAY 15

The City of Flagstaff invites residents impacted by post-wildfire flooding in the Spruce Wash/ Museum Flood Area to a community meeting on Monday, May 15 from 5:30 – 7 p.m. at Flagstaff City Hall (211 W Aspen Ave). During the meeting, City staff will discuss preparations for monsoon season and answer questions from residents.

The meeting will be streamed online and can be viewed at flagstaff.az.gov/1461/Streaming-City-Council-Meetings. A complete recording of the meeting will also be uploaded to museumfloodprojects.com after the meeting. Virtual participation, such as asking questions virtually, will not be available. Residents should attend in person to ask specific questions or email questions to info@museumfloodprojects.com.

Reasonable efforts will be made to assist and accommodate persons with disabilities desiring to attend the meeting. If you need assistance, please email info@museumfloodprojects.com.
